

joy on drums

Joy Mullen (AKA Joy On Drums) has been playing the drum kit for 25 years. The Vancouver-based musician and promoter maintains an active music career – writing, recording and touring internationally with a wide variety of artists including Cris Derksen, e.s.l. and Miss Quincy. She has performed at major folk festivals across Canada and her music has been featured on film, radio and television, including CBC miniseries 8th Fire, and she was instrumental in founding Girls Rock Camp Vancouver.
